## Dust binding cloth not impregnated

# 6098096

Non-impregnated, hard-wearing dust binding cloth for use on closed and sleek floors.

### Spezifikation

- Size: 60 x 25 cm
- Material: 100% PP
- Weight: 14 g/m<sup>2</sup>
- Color: white
- PU: 10/100

#### • Benefits

Environmentally friendly, due to less material, less volume and therefore easier transport and ultimately less waste. Contains 20% recycled material. Resealable packaging.

#### • Impregnated

No impregnation and therefore no streaking on the floor.

#### • Properties

Due to its thicker fibres, the cloth impresses with very good dust absorption despite its low weight.
