Dust binding cloth on roll impregnated

6098099

Impregnated cloth on a roll to effectively pick up dust and heavier dirt particles on sleek and rough floors.

Spezifikation

- Size: 60 x 22 cm
- Material: 100% VIS
- Weight: 43 g/m²
thereof 3 g/m² are Impregnation
- Color: white
- PU: 6/50

• Benefits

Made from 100% vegetable fibres. Environmentally friendly, as there is no outer packaging or roll core. No plastic included!

• Impregnation

Excellent, full-surface impregnation. Leaves no residue on floors. No risk of slipping.

• Properties

High dust absorption due to the open structure of the fleece and the impregnation. Good moisture absorption. Strong and robust fabric.
